Mayor R. M. Gibson welcomed a group of exchange students from Montreal and St. Albert, along with their supervisors and other guests to a banquet sponsored by the Town of St. Albert.

Town hosts students and guests at banquet

Approximately 100 guests were invited to a banquet given by the Town of St. Albert for participants in the student exchange program.

Held at the Club Mocombo last Friday evening, the event was attended by 24 students from Montreal and their supervisors Mr. and Mrs. Larose; 24 students from St. Albert and their supervisors Mr. and Mrs. O'Donnell; the parents of the St. Albert students; members of the planning committee and their wives; Mr. and Mrs. Don Labelle, Mr. and Mrs. John Hrynew and Dr. and Mrs. Wm. Cuts.

Mayor R. M. Gibson welcomed the guests. Also representing the town were Councillors Frank Lukay

and Rene Kambouroff and Mrs. Robert Russell and Mrs. Bob Hudson, whose husbands were unable to attend.

Grace was said by the Reverend Noel Gordon and the Reverend Father U. Duchesneau. Head table guests included Holly Hill, a St. Albert student, the Reverend Gordon, Mrs. R. M. Gibson, Bernard Lapierre, a Montreal student, Mrs. N. Gordon, Mayor Gibson, Mr. Patenaude, Christiane Jette, a student from Montreal, Father Duchesneau, Mrs. Patenaude and John Hauptman, a St. Albert student.

Jean Patenaude, who appears regularly on channel 11, on the CBC French net-

work, was guest speaker. He is a former resident of Montreal.

Robert O'Donnell, who with his wife chaperoned the St. Albert students on their trip to Montreal addressed the audience, as did Mr. Larose, who, accompanied by his wife, is chaperoning the Montreal students on their visit here. Christiane Jette spoke on behalf of the students from Quebec.

The banquet was followed by a swim party at the Grosvenor Park pool and hot chocolate and entertainment at the clubhouse.

The exchange students are presently on a trip to the Rockies.

Gold Cord presented at Guide Camp

Tangletrees, the Girl Guide of Canada campsite at Mulhurst was the location of three camps of Guides from St. Albert and Spruce Grove under the leadership of Peg Humbert, Iris Bruce, and Gertrude Zwierink. Netta Hayes was Camp Commandant for the week.

Typical camping days with mosquitoes, sunshine, downpours, four-footed intruders, swimming and fun were encountered by the girls. Midnight hikes, shallow water diving, and early morning bird watching together with crafts and much work were among the many activities.

Each camp operated as an entity, but on the final

evening a campfire was held with guides from all three camps participating. This campfire was the scene of an impressive Gold Cord Ceremony as Mrs. Hayes, assisted by Commissioner Marian Brostrom and Captain Gertrude Zwierink, presented a Gold Cord to Debbie Rutledge of the First St. Albert Company. Debbie's parents were present to witness this presentation of the highest award in Girl Guiding for which Debbie had worked hard and accomplished much.

Following a rousing campfire sing song led by Dorothy Humbert, guides and visitors were treated to fruit punch and cake.

Residents from all parts of St. Albert are becoming increasingly annoyed at the unsightly mess being created around the Edmonton Journal boxes. Leftover newspapers, wrappers and strings are blowing in the wind... Town officials are discussing the problem with the Journal's circulation manager.

Local candidates speak to large crowd at Morinville forum

The four local candidates in Monday's provincial election, Keith Everitt, SC; Ernie Jamison, PC; Elsie McMillan, NDP; and Robert Russell, Liberal, faced the biggest crowd, some 90 town and district voters, in their campaign to date when they participated in an election forum held Monday evening at the Morinville Legion Hall.

Bob Russell, the first speaker to address the meeting, gave a broad outline of the Liberal policy for Alberta, and referred specifically to the needs of the St. Albert constituency. One of his main election planks refer to royalties, and how they could and would be better utilized under a Liberal administration, as compared to the present Social Credit administration.

He read and quoted from SC literature announcing the new home grant idea. Mr. Russell said this idea was hatched at election time, and that a recent survey proved that lumber and land prices had gone up as a direct result of the announcement.

Mrs. Elsie McMillan, a newcomer to local politics, stated that the old SC machinery was getting very rusty after 36 of wear, running with the same old gas and oil policies that they are giving away to outsiders, along with other natural re-

sources. She said Social Credit is running on hot air, in large oval tires, which are the new promises made to the people of Alberta, but which will cost them more of their benefits from their natural resources. This, she said, the SC administration considers more important than people.

Mrs. McMillan was very emphatic in stating that the New Democratic Party considers the individual, regardless of race, religion,

or creed, the most precious asset of any government, not resources. "If we want to keep Canada for Canadians, then the Canadian resources must be used for the good and development of Canadians," said Mrs. McMillan. Under the SC administration, only two things have grown in Alberta: Edmonton and Calgary. All other towns are getting smaller and are below national average, according to Mrs. McMillan.

St. Anne St. builders present plan to town

A group of property owners on the north side of St. Anne street submitted a proposal for committee's consideration August 2, with respect to the alignment of the south bank of the Sturgeon between the Perron and Highway bridges.

They felt this area might be developed as a pilot project in the river valley, with a modified line following the natural contour of the river to be established, by building up the bank with suitable fill. An elevated walkway and drainage arrangements to prevent flooding during high water periods were also proposed.

Council had requested a 35-foot dedication from Mr. Shalagan of Gateway Electric, which he was not prepared to accept and, Mr. A. Lesburg, representing St. Albert Savings and Credit Union also felt the 35 feet was "quite a bit." He pointed out that with the co-operation of the owners and council on landscaping, it could be developed rather nicely, and a walkway could be planned. He said also that parking was most important to his firm and the 35 feet would limit parking space, and noted that a start

ST. ANNE BUILDERS had been made on filling at the rear of the properties on the north boundary.

Mr. McGee asked if anyone had taken a good look at the area and knew where the river line might be, and deBruijn replied "only from the bridge." Mr. McGee said "we have measured it out, and thought that with the dedication there would still be another 20 feet for walkway and small park area.

Mr. Woodroffe pointed out that the town had no control of land along rivers held as Crown land, and that the

provinces would survey to establish the line of this crown land. deBruijn agreed this was the most reasonable course -- "we can't contravene statutes." I believe the whole river valley (within town) should be done."

Russell felt Mr. Shalagan had a problem with time, to which Lukay suggested letting him go ahead. "If it is found we need less than the 35 feet we will give it back." Mr. O'Connell pointed out that the requirement could be more under statute, and that there would be problems returning the land.

Mr. Shalagan described his building plan and lot, which is registered as 308' on the west and 319' on east. "Even with parking up to 100 feet I have only 170 feet out of the 308."

Mr. Woodroffe suggested a two-part development agreement and the mayor said he did not want to see development in the downtown area held up "if we have to go on the first 70 feet only, let him develop and bond for the balance, base it on plan of survey."

"Some bylaw," said Mr. McGee. "Have you taken this land dedication to the

owners? If not how can you hold up development - I may be building soon also." The mayor pointed to requirements under the provincial public land act. Mr. McGee observed - "our lots are registered for so many feet - and we have been taxed on this basis."

Mr. Woodroffe told him that, under the legislation, when the shoreline comes up the owner loses property automatically, and survey was needed to establish what you own.

A motion to issue a permit for only the depth required for the building, with the developer giving bond for proposed parking carried unanimously. It was agreeable to Mr. Shalagan.

Mr. Woodroffe pointed out that fill on crown land cannot be allowed. "Can we discuss this further when the survey is in?" asked Mr. McGee, and chairman Hudson replied "yes, and you will be advised."

the Gazette REFLECTS

Canadians appear to have experienced a stronger feeling of nationalism, a revitalized patriotism which follows different patterns and thinking than was the case in the early part of this century.

Expo strengthened and highlighted the new Canadianism to an extent that surprised people from throughout Canada as they mingled in Montreal for that great birthday celebration.

Here in Alberta, the provincial election next Monday will give an interesting test of just how genuine the new Canadian spirit is. The percentage of eligible voters who make the small effort required to go to the polls and vote will be a telling indication if we are merely flag wavers, joiners of new organizations fostering nationalism, or if we really do believe in our country, and wish to strengthen it. For our record in the past has been far from commendable.

Letters to the Editor

Poll clerk, * anyone? More serious

As a resident of St. Albert I feel I have a legit complaint.

I have been a poll clerk. I would like to be poll clerk again, for the provincial election but there has been no ads in the Gazette. We wish to be a separate town yet we don't use our paper. I have phoned one candidate and he is very sympathetic but couldn't help me. These jobs have been filled for ages by the same people year after year.

The same applies to the enumerators, census takers, and poll clerks. Why can't it be as a job and bring some or at least give everybody a running chance at the job.

Yes its time we had a change in government even if we start at the poll clerks. I don't know anyone in government house or a MLA or anyone in town so I can't find out ahead of time when these jobs come up.

Town hall said it would be advertised yet there was nothing to date in the Gazette. Why not? Would our local politicians please reply to why these jobs aren't advertised in our paper, as our town rates by population at least a few applicants wouldn't you say?

It looks to me as this is also political. You back the candidate you get the job. Okay who do I vote for as I wouldn't mind the job. Anyone need a poll clerk?

Mrs. Katzarzyk

As a "Reader" of the St. Albert Gazette, I feel obliged to answer the question mark signed by Mr. Keith Everitt, which appeared in last week's letter column. Perhaps it will make Mr. Everitt feel better, if I agree, at this writing, that I consider his question mark "more serious (?)", than all the misrepresentation of facts by the government, which I pointed out in my last article. But that is his problem, HE is up for reelection, not I.

For thus far, Mr. Everitt is the only one having implied in writing, that misrepresentation of facts distributed by the Alberta Government to every household in Alberta, just prior to this election, should not be taken serious. (They do it every time? - it still is serious).

From his attitude, it is evident that Mr. Everitt did not find any fault at all with the fact that such misrepresentation was made, by his government, to his constituents.

Mr. Everitt should be more concerned about ALL his constituents. I am one of those, and I could not care less, if those readers who agree with Mr. Everitt elect him again and thus assure their right of being misinformed by Social Credit. But I insist on facts, especially before an election.

It occurs to me at this point, to advise Mr. Everitt that he file this letter together with my other

Candidates Express Their Views

Unite the prairies

says Mrs. Elsie McMillan THE TIDE IS BEGINNING TO TURN! First Manitoba threw out its old-established Conservative government. Then Saskatchewan swept the Liberal government from power. The results of those two elections were a surprise to some and a shock to others.

Why did Manitoba and Saskatchewan elect NDP governments? Why has the NDP won two of the last four by-elections in this country?

Because the people of Canada have had it up to the eyebrows with the same tired old governments and their election promises. If the Social or Conservative become the party in power in Alberta on August 31, let us hope that they do NOT keep their election promises - it will cost us plenty!

This time let us choose the one party which has made no wild promises - the NDP. To get back the heritage which our forefathers forged from the wilderness - all the natural wealth of this province - we need leadership

Two Positions

ERNIE JAMISON

Peter Loughheed has stated that not in the lifetime of his party's service in government will a Sales Tax be levied on Albertans. I believe this needed to be clear, here in our own constituency.

I believe this needed to be clear here in our own constituency. This week I would also like to remind readers of two other positions which the Conservatives have consistently and persistently emphasized over the past six years, in which the party has been built into vigorous force, now knocking on the door of the legislature.

The two policies on which they have taken such a determined stand, despite the fact that they are not the most glamorous are these: The need for much greater protection of our right to privacy, and the need for decisive action to control all forms of pollution now, while there is yet time.

I ask that you give some thought to these two positions which are of such

Some significant statements from the official record of the Banking and Commerce Committee of Parliament when Mr. Graham Towers, Governor of the Bank of Canada was on the stand giving evidence.

Question: But there is no question about it that the banks do create that medium of exchange?

Mr. Towers: That is right. That is what they are there for. . . That is banking business. . . Just in the same way that a steel plant makes steel.

Question: 95 per cent of all our volume of business is being done with what we call exchange of bank deposits - that is simply bookkeeping entries in banks against which people write cheques.

Mr. Towers: That is a fair statement.

Question: When the government delivers a \$1,000 bond to the bank, what does the bank use to purchase it with. Is that the creation of additional money?

Mr. Towers: It is the creation of additional money. Question: In other words, when a \$1,000,000 worth of bonds is presented to the banks, a million dollars of new money is created.

Mr. Towers: Yes - assuming that there is no decrease in its other investments or loans.

Question: Now the same thing holds true when a municipality or the province goes to the bank?

Mr. Towers: Or an individual borrower.

A very important question.

Question: Will you tell me why a government with power to create money should give that power away to a private monopoly and then borrow that which parliament can create itself, back at interest, to the point of national bankruptcy?

Mr. Towers: Now if parliament wants to change the form of operating the banking system, then certainly

First responsibility for this constituency

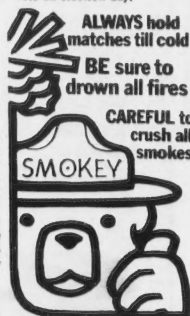

BOB RUSSELL

I've been asked by a number of people if I would continue to serve on the St. Albert Town Council if I were elected to the Provincial Legislature.

The answer is definitely not. In the first place, the role of a member of the legislature is a big enough job in itself. Furthermore, this constituency has many municipalities within its boundaries and I have a responsibility to work for all of them in an impartial manner. Since I am just completing my third year term on council, no by-election will be necessary because my term is up in mid-October.

People also ask me about my responsibilities as Leader of the Liberal Party. I recognize that the people who live in this constituency are my first responsibility and I intend to serve you to the very best of my ability. The experience I've had on the school board, planning committees and on town council will be of great benefit to me in the legislature and I know the voters will consider this when they go to the polls next Monday.

No one knows who is going to win the provincial election but for the St. Albert constituency it is important that you elect someone with dedication as well as experience. I sincerely ask you for your vote on election day.

letter to the editor criticizing previous letters written by Mr. A. Zimmer, was a masterpiece of illogical rhetoric. He argues that because you disagree with a man's opinion on one subject you must, automatically disagree with him on all subjects.

Come now Mr. Everitt! Even Premier Strom and Peter Loughheed agree on some subjects.

Mrs. D. Read.

KEEP IN THE SWIM WITH WATER SAFETY

Come now Mr. Everitt

After reading MLA Keith Everitt's two contributions to last week's Gazette, I am appalled that we have allowed this man to represent us for the last 12 years. I'm glad to hear that he thinks Hon. Gordon Taylor is a 'prince' but is that really a valid platform plank? I don't think so.

The sum total of his viewpoints as expressed in that article tell me only that Keith Everitt either hasn't thought about what I consider to be the real issues: the environment, oil policy, municipal taxes, farm policy etc.) or he doesn't regard them as important enough to merit mention.

His second contribution to last week's Gazette, a

ATTENTION ELECTORS

PERSONS QUALIFIED TO BE REGISTERED AS ELECTORS AND TO VOTE ARE CANADIAN CITIZENS OR BRITISH SUBJECTS:

- (a) who have attained or will attain on or before August 30, 1971, the full age of 18 years; and
- (b) who have, on July 22, 1971, resided in Alberta for a period of at least 12 months immediately prior to that day; and
- (c) who on July 22, 1971, are ordinarily resident in the Electoral Division and Polling Subdivision in which they seek to vote.

A person whose name does not appear on the list of electors may vote on August 30, at the polling place in which he resides upon application to the Deputy Returning Officer thereof, providing he takes the oath that he is a qualified elector.

PLEASE NOTE that the Electoral Division of St. Albert is a rural Division, and in many instances the regulations differ from those of City Divisions.

Leon Riopel,
Returning Officer.

Bill Glass, NDP candidate in Calder, and Alan Idiens, NDP candidate in Meadowlark, took time out from their busy schedule to visit with Elsie McMillan at the barbecue held at the home of the NDP candidate for St. Albert constituency.

NDP barbecue well attended

A barbecue held at Elsie McMillan's home at Namoo on Saturday evening was attended by over 80 friends and supporters from all over the St. Albert constituency. Many of them were loyal workers and supporters taking a break from the arduous campaigning of the past few weeks.

The highlight of the feast was a piglet barbecued com-

plete with an apple in its mouth. In addition there was salmon, barbecued chicken and all the trimmings.

As promised, there were no speeches. Everyone enjoyed themselves and renewed their strength for the last week of campaigning.

As the election candidates round the last bend in the race, the NDP campaign gains momentum.

Interest shown in bilingual choir

A number of St. Albert people have expressed interest in reorganizing a bilingual choir, a project most successfully conducted some years ago under the direction of Pauline Vaugois.

The only objective of the choir is to gather French and English-speaking people together to sing for enjoyment. The English speaking singers learn French songs and the French learn English songs, a delightful experience for both.

When Pauline started the choir she found that all the people who joined stayed

with it and after a time they advanced to festival work, and were awarded several prizes. An adjudicator commented that the singing was so joyfully entered into by all, that he was unable to detect which were singing in an unfamiliar language.

Pauline now finds she has time free to resume directing such a choir, and if there is enough interest will do so, not perhaps thinking of festival work. Men and women of all ages would be welcome.

Blakeney to try new ventures

Giveaway-type industrial incentives may become a fact of the past in Saskatchewan. Alan Blakeney, the province's new premier, says his socialist government will try new approaches such as joint ventures with private enterprise in the resource field rather than the old-style incentives, which he claims are self-defeating. "Jurisdictions harm themselves by trying to outbid each other for new industry," he says.

One of the first moves by the government, will be to halt the proposed \$177 million Athabasca Forest Products Ltd. pulp mill north of Meadow Lake.

Kindergarten

St. Albert Protestant Kindergarten and Nursery School in Erasie Presbyterian Church will hold their annual meeting, Friday, Sept. 3 at 7 p.m. in the basement of the church.

There are still a few vacancies. For information please phone Mrs. Kwak at 599-6236.

For example, the rug has been pulled out from under the Canadian economy by President Nixon's recently announced economic policies and we see the dis-

Every dollar that is created thus is a debt dollar. The nation is in debt because it did not create for itself the money it required. A former governor of an international bank said -- "Permit me to control the credit of a nation and I care not who makes the laws."

A Social Credit Federal Government would lend money to municipalities for necessary social services - schools, streets, sewer and water facilities at cost, one-half of one per cent. This would save millions of dollars to our municipalities across Canada.

Panthers capture Fastball crown

Spruce Grove Panthers won the third and deciding game by a close 7 - 6 score over CJD Implements to capture the Sturgeon Fastball Championship. The game was played in St. Albert Monday night before a good crowd and the game was very exciting with the Panthers scoring the winning run in the last inning. CJD hoisted the ball around in the first inning and the Panthers took full advantage as they scored three runs. CJD came back with two of their own in their half of the first to narrow the score to one run.

The second inning was scoreless but the Panthers came back with two more in the third for a 3 - 2 lead. CJD managed to get one back in the fourth but the Panthers scored in the fifth to maintain their three run lead.

This was reduced to just one run when CJD scored

two in the fifth. Both clubs traded runs in the sixth and final inning with the Panthers winning the trophy.

Once again Wally Gamble was the winning pitcher, allowing just three hits and striking out eight batters. Dick Bird took the loss giving

up seven hits and getting three strike-outs.

In the second game of the series CJD travelled to Spruce Grove and came away with a 1 - 0 win behind the no-hit pitching of Dick Bird. Bird struck out only four Panthers but received solid

Cardinals take Alexander tourney

Edmonton Cardinals defeated Morinville in the final game to win the Alexander Braves baseball tournament last weekend.

Morinville won the opener with a 9 - 8 win over the Braves with Body Pyluk picking up the win. Frank Volmer came in to pinch hit in the sixth inning and hit a double off the centre-field fence driving in two runs and then scored on two stolen bases.

Home runs by O'Neill Chevallier and Eddie St. Lawrence paved the way for Morinville's semi-final win over Westlock by a close 7 - 6 score. Chevallier's circuit blast came in the last inning with Larry Perrott on base and this proved to be the winning run. Larry Perrott was the winning pitcher.

Morinville received some good news shortly before the tournament when Craig's Manufacturing made a size-

able donation to the club by way of a sponsorship for the balance of this year and for next.

Morinville will play this weekend in the Redwater tournament.

Saints lose at Mayerthorpe

St. Albert Willowbrook Saints took a 13 - 4 thumping from the powerful Barrhead Cardinals in their second game of the Mayerthorpe baseball tournament played last weekend.

Richie Perrault took the loss.

In their opening game of the tournament Saturday, young Wayne Higgs allowed just two hits as the Saints shut-out the Kinross-Wildwater team 6 - 0.

If this youngster keeps improving he will be one of the top pitchers in the area as he is only 18 years old.

Barrhead won the tournament with a lopsided 12-1 win over Mayerthorpe in the final game.

One of the highlights of the tournament was a no-hitter by Lloyd Smith as Powell defeated Edmonton Highway 5 - 1. Smith also tagged a grand slam home run to help the cause.

Saints will play Legal at 3 p.m. this Saturday in the Redwater tournament.

North Central Baseball Finals This Sunday

Vimy defeated Ron Accord 7 - 2 last Sunday to win the best of three series two games to one. The win allows Vimy to go with pennant winning Morinville (southern division) to Barrhead this Sunday in a double knockout series with the two top teams in the northern division of the North Central Alberta Baseball League.

To date the north division saw still playing nine out games to determine the two playoff teams.

In the Vimy game, Don Blundell went all the way to pick up the win.

ST. ALBERT RECREATION

HI — LITES

JOINT USE AGREEMENT:
Secretaries or organizations are reminded that applications for accommodation under the Joint Use Agreement should be sent as soon as possible to the Department of Recreation at the Town Hall.

YOGA:

The yoga class has been cancelled in the meantime. There is a possibility of it continuing at a later date. If so, the dates and times will be announced.

THE POOL:

This week sees the completion of the last session of swimming lessons for this year. The season is drawing to a close; the exact date of closing will be announced in this column and posted at the pool.

SWIM TEAM:

The St. Albert Salfish again the winners!

They successfully defended their position at the top of the North Central Regional tree last weekend at Bonnie Doon pool. They led the field of 10 teams with a score of 617 points, followed by Hinton with 295, Drayton Valley with 262 and Lloydminster with 212.

For the third year in succession they brought back to St. Albert the trophy which was donated by the town in 1969. Mayor Gibbon looked very pleased as he handed it over to Norgrove Penny, swim team coach.

Two St. Albert boys, Mike Sandomirsky and Richard Fowler won four firsts each and drew for the title of Outstanding Male Swimmer each will get a trophy. Mike and Richard are believed to have set provincial records.

Last weekend, all the Alberta regionals were held and the two top relay teams and three top swimmers in each category in each region will

participate in the provincial finals which are being held at the University Pool on Saturday, August 28, starting at 8:30 a.m.

The Salfish won the provincials last year in Calgary. Edmonton is a lot closer and anyone interested in competitive swimming should try and make it to the University Pool on Saturday next. Our swimmers have earned our support so let's

go and cheer ourselves hoarse!

PLAYFIELDS:

The soccer season is resuming and will shortly be going into high gear again. As the soccer fields are fairly tightly scheduled and groups of boys wanting to practise soccer or football on a casual basis should phone the department at 599-6601 to find out which fields are available.

Both the excitement and the rigors of cycle racing are captured in this shot of three competitors rounding a bend for the final lap of the race.

St. Albert Bicycle Club

On Sunday, August 22, from 1:30 - 4:30, the St. Albert Bicycle Club promoted the St. Albert Criterium and supporting races on a 1 1/4 mile circuit located in downtown St. Albert.

The main sponsors of the afternoon's activities were: Alberta Cycle and Motor Co. Ltd., and St. Albert Texaco.

Results of the events were as follows:

Event #1: Alberta Cycle Veterans' Race over eight laps (10 miles); 1st - Geoff Peters, Coalville Wheelers, 26' 35"; 2nd - Harold Heacock, Velo Sport Edmonton, 26' 55".

Event #2: Alberta Cycle 14 and over Schoolboys' race eight laps (10 miles); 1st - Lee Cameron, St. Albert Bicycle Club, 25' 56"; 2nd - Robert Gilechrist, VSE, 26' 06"; 3rd - Paul Leung, VSE, 26' 06".

Event #3: Alberta Cycle Race for 11 - 14 Schoolboys six laps (7 1/2 miles); 1st - Gordon Heacock, VSE, 23' 40"; 2nd - Shane Frahm 1st Victoria DFC, 23' 40"; 3rd - Neil Hutchinson, unattached, 24' 06".

Event #4: St. Albert Criterium sponsored by St. Albert Texaco 20 laps (25 miles); 1st - (and 1st Junior!) Ed Heacock, VSE, 1 h. 2 m. 5 sec.; 2nd - Marijan Kahlina, Georges Cycle, same time; 3rd - John Bryan, Georges

Cycle, same time; 4th - Sandy Harris (jun.), VSE, 1 h. 2 m. 6 sec.

In the main event riders constantly tried to get away from the main group and in the sixth lap, a group of five managed to do this. After a further two laps, the above four dropped John Roger of Georges Cycle and

these four stayed together until the last lap. Of note is the performance of Ondrej Simon of Velo Sport Edmonton, who despite two flats, managed to finish.

This is the third annual St. Albert Criterium and the first time it has been sponsored by St. Albert Bicycle Club.

Mercury content down; smaller fish safe to eat

The Department of Lands and Forests announces that fish from Moose Lake near Bonnyville, Alberta were retested for mercury contamination and the results have shown that all perch, and the walleye and pike (jackfish) that are smaller than 2 1/2 or 18 inches in length are below the 0.5 parts per million level. The public is advised that fish under the 2 1/2 pound size or 18 inches in length are safe to use for food.

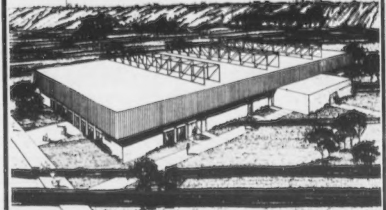

A sample of 51 fish which included perch, walleye and pike (jackfish) was taken from a number of areas in Moose Lake and retested for mercury content, following the findings in early July that the mercury level in a small sample of fish had exceeded the safe level of 0.5 parts per million of mercury. The results of the

second sample showed that a relationship existed between the size of the fish and the amount of mercury it contained; the larger the fish the greater the mercury content.

All perch tested were well below the 0.5 parts per million level and the walleye and pike below the 2 1/2 pound or 18 inches in length size were also below this level. Those walleye and pike larger than the 2 1/2 pound size showed a sharp increase in the mercury content with the increase in size.

The department also wishes to emphasize at this time that whitefish from a considerable number of lakes have been tested for mercury content and all have been found to be safe for human consumption.

MORINVILLE MEMOS

By Rose Martel

The Morinville Board of Trade will resume regular supper meetings beginning Tuesday, Sept. 7. All members are reminded to circle their calendars and attend, as many important local issues will be discussed during the program.

The free chest x-ray clinic attendance was very disappointing in Morinville. The local sponsors had registered over 700 adults, but only about 300 patronized the clinic during the two day stay in Morinville.

Some 35 members of the Morinville Drum and Bugle Band left on Sunday for a three day holiday and camp at a lake shore. Among those travelling with the group are their director, Rev. G. H. Primeau, Mrs. Yvette Tellier, Mrs. Gabrielle Ricard, Mrs. C. Gregoire, Ulyse Fortier and grandpa Ernest Houle, who will give boat ride and supervise the crew.

On Saturday Celine Dostie, daughter of Mr. and Mrs. Albert Dostie of Morinville, was married to Bernard Smith of Edmonton, formerly of Ottawa, Ontario.

Among those reported in hospital is Toni Found, who is recovering from major surgery. Ed Vervynck was returned to hospital after a short stay at home. Others hospitalized include Gustave Meunier, recovering from a recent accident, and Matt Hittinger.

Mr. and Mrs. Bob Cox and Mr. and Mrs. John Rak and families have returned from a holiday in B.C.

Doreen Vervynck and Kenneth Lesburg were entertained at a social in the Morinville Legion last weekend with some 125 present. Hosts for the evening were Paul and Jerry Vervynck with their wives, Marg and Diana. Also Robert Le-page and Stella Boissonnault, Richard Lesburg and Debbie Bokenstahr. Miss Vervynck and Mr. Lesburg will be married in Morinville on Sept. 4. The couple was presented with a coffee table and two other living room tables to match, with the best wishes of all those present at the pre-wedding party.

Ron Patry was a visitor in the old home town, last weekend. He joined with former classmates, including D'Arcy Martel to celebrate a meeting with old classmates.

The Morinville Mother's Local are anxious to get any and all discarded articles from households or clothing to support the local Guides and Brownies at the rummage sale to be held in Morinville in October.

Mr. and Mrs. Robert Leslie McDonald have sold their home in Morinville, and will soon move to Fort Saskatchewan, with their family where Mr. McDonald is employed.

The Morinville CWL and MFC ladies are at the present time in the process of negotiating for a playschool in Morinville. Anyone interested in pre-registering children, are invited to phone Mrs. Mary Hittinger at 256-2382 or Mrs. Germaine Beland at 256-3559 as soon as possible.

Recently Mr. and Mrs. August Van Barren from Belgium, were district visitors. They visited several acquaintances, including Mr. and Mrs. Louis Verlinde and Mr. and Mrs. Jack D'Hoet.

Thibault school will register students in Morinville, on Monday, Aug. 30, beginning at 1 p.m. for all grades. Regular classes are scheduled to begin on Aug. 31, for all students at the three schools.

Karen McDonald, daughter of Mr. and Mrs. Leslie McDonald was a welcome visitor at home after a long holiday in San Francisco. She will register for another term at the U of A in September.

BON ACCORD ACTIVITIES

By Sadie Allen

This column extends a double apology to Janet Rigney, who won first in show-manship and to Mr. J. A. Grave, manager of the Royal Bank, Northgate branch who presented the Royal Bank trophy to Patrick Farbey. Their names were left out inadvertently.

The BA Gun Club has called a recess for the busy fall season. Activities will resume upon further notice.

On Sunday, August 22, the community sponsored a very successful Horse Show and Gymkhana under the able direction of Verona Sturrock and Judy Abramski, with entries from Namao, Legal, Gibbons, Redwater, Rimby and Bon Accord. Winners in performance classes were: Sr. High Point - Bev Hood, Gibbons. Reserve high Point - Andrew Hood, Gibbons; Jr. High Point - Christine Hood, Gibbons, Jr. Reserve - Bev Epp, Gibbons. In the gymkhana classes Sr. High Point went to Sharon Davis, Namao; Reserve to Rene Perrault of Legal,

Jr. High Point to Kim Crozier, Namao, and Reserve to Barry Sturrock, Bon Accord.

Ring Judge was Brian Parker, ringmaster was Ray Rigney, announcer was Tamas Farbey. Special thanks to Rene Georget of Legal, Jim Nobbs and Bill Carleton for their help during the show and to the best hamburger makers in the country, Doris Carleton, Olga Ferbey and Edith Kovalski, who spent an exciting day in the booth.

Plans are being made for the formation of a 4H Light Horse Club for Bon Accord and district. More about this later when 4H clubs get underway.

We wish to welcome Art and Muriel McCue, who have become ex-farmers and are now residing in Bon Accord.

And to those lady swimmers, Anne Brennan, Irene Deedman, Joanne Glover, Carol Komick, Lillian Carleton and Sadie Allen, who are proud possessors of Red Cross Swimmers' badges, congratulations!

Get well wishes to Basil Lewis, who suffered a badly broken leg while on holiday in the Okanagan.

Sturgeon school division announces opening

Registration of all students in schools operated by Sturgeon School Division will take place on Monday, August 30. There will be no classes that afternoon or on Tuesday, August 31. Teaching staff, however, will be on hand and involved in planning and preparation for school opening. The first regular full day for all students is Wednesday, September 1st. Mission Park School in St. Albert and Cunningham School in Morinville will no longer be in operation. Students from the attendance area encompassed by these two schools will be accommodated at the new Sturgeon Heights School, located one

mile west of highway 2 on the Villeneuve Road. If there is any delay in the completion of construction of Sturgeon Heights School, students will be notified at the time of registration on August 30.

Other schools operated by Sturgeon School Division include Bon Accord School, Gibbons School, Horse Hill School, Namsao School and the Camilla School at Riviere Qui Barre. A new, one classroom school is scheduled to open on August 30 at the recently-established Hutterite Colony in the Alcomdale area. Students from the Hutterite Colony only will attend this school.

High school students residing in the Sturgeon area attend high schools in other jurisdictions through tuition agreements maintained by the board. Students from the Horse Hill, Namsao, Bon Accord and Gibbons areas attend the M. E. LaZerte Composite High School in North east Edmonton. Students residing in the Sturgeon Heights and Camilla attendance areas attend either St. Albert High School or Paul Kane High School both located in St. Albert. Some students from the Lamoureux District attend St. Joseph's High School in Edmonton and a few from the

Cunningham attendance area attend Georges Vanier High School in Morinville.

The Sturgeon School Division operates a bus service for all students; both those in attendance at schools operated by Sturgeon Division and those in attendance at high schools in other jurisdictions with which the board maintains a tuition agreement.

As I See It

By Rose Martin

Why are rural people considered second rate individuals in Alberta? At present, all urban workers have a 44 hour week, and are entitled to overtime if more hours are spent on the job. In all rural areas, including towns and villages, em-

ployees, by Alberta law, are required to work 48 hours, before qualifying for overtime.

Why is this situation tolerated and permitted by the government of Alberta today? The board of industrial relations has been most

lax in many instances to investigate individual complaints of those who are victims of such practices. Among those most affected are women who work in cafes and lunch bars, janitors and clerks. Many garages or other small businesses located at country points, operate with no regard to maximum hour regulations, and demand workers to give more than the required hours and give no overtime pay.

The argument is very simple. "If you want the job, stay and work until I tell you to quit, or else I will replace you with someone who will ask for no overtime and is willing to do the job, regardless of the time required to clean up after hours, for the same wages."

The minimum hourly wages are being ignored by many employers, who will hire teen-agers or inexperienced help, and use them as full time employees. This process is repeated every three months, to keep pay rolls at a minimum, and the profits at a maximum.

How many times this summer have we seen turned meat in many retail outlets, how many quarts of sour milk have we brought home, how many stale pastries were we served in cafes?

The laws should place much more emphasis in safeguarding the public.

At the same time any government, or rural employers, who permit, tolerate, or support in an indirect way rural workers having to give more time and services than their urban or city counterparts for the same wages, are unfair, to a great number of workers who have the same needs and pay the same unemployment insurance premiums than their city co-workers.

Octave Himshoot marries Annette Caron in

Morinville

By Rose Marlet

A lovely afternoon wedding was celebrated August 21 when Annette Caron, daughter of Mr. and Mrs. Eugene Caron, was united in marriage to Octave T. Himshoot, son of Mr. and Mrs. Octave Himshoot, all of Morinville. The Rev. Father Georges Primeau performed the double ring ceremony.

Given in marriage by her father, the bride chose a gown of peaud'elegance with Maderia lace inserts, asplil mandarin collar, and long puffed sleeves. A train fell from the shoulders and com-

plimented the bride's shoulder length bouffant veil of net, held by a white floral headpiece. The bridal bouquet was a cascade of corsage roses with white streamers and Stephanotis.

Elaine Himshoot, sister of the groom, Yvonne Laforce, cousin of the bride, and Doreen Demers, cousin of the groom, attended the bride. All wore light mauve sheer gowns, with long sleeves and scoop necklines, and featuring satin trim and white accessories. Each carried a cascade of mauve and white roses.

Robert Craig was best man, and other groom attendants were Maurice Car-

on, brother of the bride and Denis Champagne, the groom's cousin. Ushers were Donald Chouinard and Gerald Demers. During the ceremony Carmen Boissonault was the organist and Armand Turgeon was soloist.

To receive her guests at the reception and banquet which was attended by 140 guests, Mrs. Caron chose a green turtel ensemble with matching lace coat, brown accessories, and Talisman roses on corsage.

Mrs. Himshoot chose a pink peau de sole ensemble, with matching accessories, and tinted roses on corsage.

Matt Teller was master of ceremonies, and Leo

Theroux of Edmonton, uncle and godfather of the bride, proposed the toast to the bride.

A wedding dance and social for some 450 guests concluded the evening.

For her honeymoon trip to Banff and Jasper, the bride changed into a pink floral hot pants suit, with white accessories, and white rose corsage.

Mr. and Mrs. Octave T. Himshoot will soon move into their new home now being under construction just north of the town limits.

St. Charles Church scene of wedding

By Rose Martel

St. Charles Roman Catholic Church in Mearns was the scene of a pretty summer afternoon wedding on August 14 when Carol Brennies, daughter of Mr. and Mrs. Lawrence Brennies, of Mearns, became the bride of Donald Vandersteen, son of Mr. and Mrs. John Vandersteen of Windfield. Rev. J. J. Merchant of Edmonton conducted the wedding service.

Given in marriage by her

father, the bride chose a gown of white chiffon, trimmed with seed pearls, featuring a scoop neckline, lily point sleeves, and a train caught by pearl trimmed bows. Her shoulder length veil was held by a capedged with pearls and a bow at the back. A mauve orchid with white carnations formed her bouquet.

Her attendants were her sisters, Gloria, Deanne Brennies. They wore identical gowns of mauve crepe,

with empire waistlines, bell sleeves, trimmed with white and mauve daisy lace motifs. Their accessories were white, including crocheted hats with mauve ribbon trim. They carried bouquets of white daisies with mauve ribbons.

Best man was Gary Vandersteen, brother of the groom, and David Brennies, brother of the bride. Ushers were Allen Iyer and Donald Brennies. Miss Dawne Brennies, was organist and Vio-

let and Dan Brennies were soloists, during the ceremony.

For her daughter's wedding Mrs. Brennies chose a coral crepe dress with silver trim, white and silver accessories and white roses on corsage. Mrs. Vandersteen, wore a green formal dress with gold trim, beige accessories and white roses on corsage.

A wedding banquet for some 55 guests was served at the Mearns Recreation

Centre. Ambrose Brennies, uncle of the bride, was the master of ceremonies and Max Schwartz of Windfield, proposed the toast to the bride.

A reception and wedding dance in the Morinville Recreation Centre, later in the evening, concluded the celebration. A congratulatory telegram was received from relatives from Manitoba. Out of town guests were guests from Seattle, Washington, Onoway, Rouleau,

Saskatchewan, Saskatoon, Calgary, Ponoka and Barrymore. Mr. and Mrs. Donald Vandersteen will reside in Edmonton.

John Beedle wins again

Local gardening enthusiast John Beedle again won recognition for his excellent garden fruits at the Edmonton flower show last weekend.

Funny Money?

It's a good 30 years or more since Social Crediters gave up trying to issue their Funny Money, but other people's failures never faze Mayor Jean Drapeau of Montreal, who (in case you didn't notice the squib most daily newspapers seemed to bury back among the truss ads) has found a way of issuing his own currency. Mayor Drapeau simply worked a deal with the Montreal Urban Community Transportation Commission whereby bus and subway tickets are honored, just like cash, at Man and His World.

Mr. Beedle's plums, apples, pears and strawberries won him four first prizes and two second placings.

John comments that his garden does not look as good this year as it has in the past. "Everything is bone-dry," he says, adding that his garden is too big to water.

Mr. Beedle, who lives at 5 Grandin Road, says he is lucky not to have any slugs in his garden. "My

place is too dry for them, I guess," he said.

He does have a word of advice for local gardeners who are bothered by the slugs. "Just set out a few

saucers of beer at night," he says. "It'll get them everytime."

Mr. Beedle is parks superintendent, Town of St. Albert.

By Liz McLeod

Sorry for the mistake in the spelling of Marcel and Theresa's month old daughter. Her name is: Diana Johanna Rosa.

Calahoo and district extend their sympathies to Leonard and Norma Williams (nee Bodde) on the loss of their still-born son recently.

Clara Loyer and Liz McLeod had a pleasant visit with John and Gertie McDonald formerly of Calahoo and now residing in Stony Plain. Gertie proudly showed a picture of her new grandson, born to Mary and George Rothweller while they were in Singapore. George's work takes him to East Malaya now, George's niece Wanda L'Hirondelle visited them while in Singapore.

The trip was Wanda's graduation gift. After visiting George and Mary, Wanda's next stop was Anchorage, Alaska, to attend a girlfriend's wedding and then she'll join her mother on their home farm in Villeneuve.

Elise L'Hirondelle and Colleen came to visit the McLeod's as did her mother Mrs. Emma Rothweller in company with her daughter Ann and husband Frank. Elise with six year old Lorne and four year old Lenore, who were home from Anchorage for a visit.

A most pleasant visit was had when Gordon Schermund's cousin Mabel and Harry Allenford came from Ontario for a five day visit to the farm. While here Harry helped stack hay at Pete McLeod's.

Mrs. Barbara Belcher (nee Hoefle) was a most welcome visitor to Gordon and Emelia Schermund's. She had her nephew Raymond Perreault with her since she's staying at her sister Eileen's in Onoway. Emelia asked Lucienne Valder down to meet Barbara so they had a pleasant visit and dinner together.

Gordon and Emelia are taking Alice Warren, Richard and Jean Armstrong and Gwen to Fort McMurray. visit with Don and Mary Anne Warren and attend Colleen's wedding.

Gordon and Gertrude Bergstrelser took their parents Ferdi and Elsa Lischewski for a weekend visit to Willie and Mondell Lischewski's at Jasper and also to see their new grandson Clayton Willie Emil and be present at his christening.

Pete's sister Bina and Romano Peresini and Kandace, Liz's niece Judy Chapman and Will Baron, Alex Vars and Joe and Mary Vollmer were recent visitors at McLeod's. Judy was involved in an accident in the city. Luckily she wasn't hurt but her car is a write off. While Mother Russell was out we went to see her granddaughter Mrs. Nancy Christen, one of the new bride's in our district.

Anita Bergstrelser, Lloyd's bride, also visited. The couple had been entertained at a pre-wedding party.

Joe and Mary Vollmer were surprised on Aug. 13, Mary's birthday, to have Myles and Daphne Kerr and Pete and Liz McLeod call. August is the month of birthdays in this area. Myles and Daphne, Joe and Mary, John and Mary Kochling, Elsa Lischewski to name just a few.

Hans and Marianne Lummer with sons Charles and Andre came to visit Uncle Joe Freitag. Together they went to Pine Sands. Vollmers came for a visit this same Sunday.

Cliff McLean of Pine Sands had a very pleasant surprise when his daughter Gwen and Dad Warner, Diane and Carol came for a week's visit from Brockville Ontario.

Lil Bennett's friend Cora Laidlaw is a visitor to Lil and Cliff's. Before Lil's holidays were over she wanted to get the neighbors together so it was fitting to have a party one's get-together last Sunday, August 15. It was a perfect day and 40 friends and neighbors gathered at Cliff and Lil's to enjoy a horse shoe game and friendly visiting and fun. Daphne used her tape recorder and then played it back for each one to hear his own voice.

Ray and Alice, Gordon and Emelia Schermund, Lucienne Valder and Pete, Liz and Sharon McLeod were invited to help serve the senior citizens.

Mr. and Mrs. Ken Thatcher and sons Craig and Scott with Ken's parents, Mr. and Mrs. John Thatcher spent their holiday at their home place, the former Buster Thatcher's home. Willie on the farm a former Noyes Crossing United Church minister, The Rev. Wythe and family came from California for a visit.

Otto and Audrey Steinkamp, Pete and Liz, went over to wish Marcel a happy birthday on August 14. Young daughter Mary will be five years old on August 24.

On August 15 Marcel and Theresa were hosts at a farewell party put on by Jack and Mary D'Hoed. The large gathering was entertained by Louis and Natalie D'Hoed and others. The two couples are scheduled to leave August 19 for home in Belgium.

A spacious new Dairy Queen Brazier restaurant will open soon at the corner of St. Anne Street and St. Albert Road, in St. Albert.

The restaurant will feature family favorites such as a complete line of burgers, fish and chips and fountain specialties.

Owner-manager of the restaurant is Max McCann, who has had several years experience in the food industry in Ontario.

The McCann family has moved into a new home at Burnham Avenue and is anxious to become actively involved in the community.

Joyce and Max McCann have three sons, David, Paul and Brian, who will all be attending school at SAM. Mr. McCann says he plans to feature daily lunch specials, geared to the people who are employed in the area.

The restaurant will employ approximately 15 people, and Mr. McCann said preference will be given to local applicants.

Mr. McCann expects the Dairy Queen Brazier to open for business about the

second week of September. The outlet will be fully equipped with the latest facilities and the operator will give speedy service wholesome foods.

KEITH EVERITT WORKS FOR YOU

IN THE ST. ALBERT CONSTITUENCY

READ WHAT PEOPLE SAY ABOUT HIM!

We thank you Mr. Everitt for your assistance in getting sponsors for our Lieutenant-Governor. Will you please contact the writer when the collections are completed and I will arrange to get it to our "Skate-a-thon Committee".

Yours truly, Bruce W. Daley, President The Kinsmen Club of St. Albert.

We would like to express our sincere thanks and appreciation for your help in connection with our temporary camp grounds along the Surgeon River. It has meant a great deal to our organization to have the situation clarified and your assistance has been extremely helpful.

Yours very truly, (Mrs.) M.H. York, Division Secretary Girl Guides of Canada, St. Albert.

I am pleased to take this opportunity to thank you on behalf of the St. Albert Breakfast Lion's Club and to congratulate you on your successful completion of the test of endurance.

Your community-spiritiveness was very much appreciated. The money realized will aid considerably our efforts in supporting our band, majorettes, senior citizens, arena, and our youth program.

Thank you again. Yours truly, John S. Kaminski, Bike-A-Thon Chairman, Lions Club.

Thank you very much for the wonderful "WISHES FOR MARRIED COUPLE ON ANNIVERSARY" which arrived in yesterday's mail. It is the grandest wish I ever heard expressed. Both a brother and a sister of mine will be celebrating their 25th Anniversary this summer and I will be grateful for it on these occasions.

May God bless you and your work in the Legislative Assembly "always" and "all ways"!

Sincerely, Sister Mary William S.S.N.D., Notre Dame Convent, Site 1 R22, Nordeville.

I have been instructed by the members of the Chamber of Commerce, at our last general meeting to write to you and thank you for your efforts in obtaining the location of the new University in the St. Albert area. We all know that it can have nothing but good effects on the Town and the surrounding area. Again, may I thank you for all your hard work and efforts.

Robert C. Bate, Secretary, St. Albert District Chamber of Commerce.

And here's a personal note - typical of hundreds who know that in joy or sorrow Keith Everitt is a friend who will be on hand, with assistance equal to any occasion.

"Dear Mr. Everitt: I would like to extend my appreciation for the assistance you gave me when my husband passed away this spring. Thank you again."

Sincerely, Olga Drotyskiy - Bon Accord

Vital Lachance dies at 63

By Jeanne Laplante

Funeral services were held in Our Lady of Victories Church, Vimy, on Thursday, Aug. 19 for Mr. Vital Lachance, 63 years of age who passed away suddenly at his home on Saturday, August 14.

Rev. Lucien Tellier officiated and interment followed in the local church cemetery.

Born in Cookshire, Quebec, Mr. Lachance came to the Vimy district in 1919. He married Violet Juneau from Beaumont in 1951 and has farmed since his arrival in the district.

Besides his loving wife he leaves to mourn two sons Richard and Daniel at home, two sisters, Mrs. F. Seguin and Mrs. A. Dusseault and one brother, Gerry.

Funeral services were held in the church of St. Vital, Quebec, on Thursday, Aug. 19 for Mr. Vital Lachance, 63 years of age who passed away suddenly at his home on Saturday, August 14.

4-H Dairy Club holds banquet at Namao

By Will Mitchell

Members of the Sturgeon Valley 4H Dairy Club held a banquet, followed by an awards presentation at the Namao Community Hall, last Monday evening.

Chairman of the program was Henry Van De Vliet and the 4H grace was said by Marianne Mickelsen.

The public speaking award was presented to Henry Van De Vliet. A representative of the Royal Bank of Canada, sponsors of this trophy made the presentation.

Will Mitchell and Chris Mickelsen received the demonstration awards. The Ebberdale Farms award was presented by Bert Ebberts.

Doug Crozier was presented with the judging trophy and the first year member award went to Marianne Mickelsen. Twelve year old Brad Quwek won the youngest member award.

Grand champion was Michael Quwek and he was also presented with the showmanship award. Doug

Crozier received awards for record books and efficiency.

The club's leader, Melvin Clark, presented all members with a token. The boys received 4H key chains and the girls were presented with pins.

Guest speaker of the evening was Bill Boocok who gave an interesting talk on India, complemented with a slide show.

CARDIFF COLUMN

By Florence Vranas

Mr. and Mrs. Bernard Haneke and their 10 children from Orford, South Dakota, have left for home after a visit to friends and relatives in the district.

Chris and Marianne Mickelson will be at home various afternoons as their achievement award for the past year as members of the Sturgeon Valley Dairy Club. Awards were presented at a banquet held at Nampa on Aug. 16. Marianne, a first year member received three awards while Chris, a second year member took two. Chris was also a member

of a three boy group from this club who came in sixth in the provincial judging competition for dairy cattle at the Edmonton Exhibition this summer. Marianne took second prize in the open judging class of dairy cattle the same day.

Mr. and Mrs. Wm. Wood were recent visitors at the home of Mrs. Woods' sister and brother-in-law, John and Dorothy Saunders while visiting relatives in the district. Mr. and Mrs. Saunders and Sharon accompanied the Woods' travelling by camper on forestry roads in the Coal

Branch area and various other points in Alberta including a visit to the Big Horn Dam on the David Thompson Highway.

Sharon accompanied them only partway as she had to return to work at the Glenrose Hospital where she was a volunteer working with emotionally disturbed children for seven weeks this summer.

Sharon will be enrolled for her first year in general sciences at the University of Alberta this fall and will live in residence at the campus.

Business as usual for province's teachers

Teachers without contracts will be in the classroom as scheduled on school opening days throughout the province, Walter Hughes, president of the Alberta Teachers' Association said today.

Mr. Hughes was countering rumors that some teachers would not report for duty because of difficulties encountered during this past year's negotiations in their region.

Some 6,800 teachers in seven bargaining units have worked without contracts during the last school year. The crisis created by this situation, said Mr. Hughes, threatens the quality of teaching, classroom conditions and extracurricular activities. No immediate solution appears evident. Teachers have and will continue to use all means to resolve the deadlock.

Regions affected are Southern Alberta rural areas, including the cities

of Lethbridge and Medicine Hat and the regions of Bow Valley, Battle River, Elk Island, North Central West

and North Central East. Included in the North Central West region is Thibault school division.

Vimy couple celebrates 25th anniversary

The Vimy Community Hall was the scene of 25th anniversary celebrations in honor of Mr. and Mrs. Ben Gagne. Families and friends gathered at a social evening to help celebrate the happy occasion. Mr. and Mrs. Gagne were married in Vimy in 1946 and have lived in the district since. Their family is comprised of seven children, Irene, Denis, Paul, Louise, Adrienne, Daniel and Michel. Attending the celebrations were Mr. Gagne's sister and her husband, Mr. and Mrs. Remi Baillargeon from Frampton, Quebec, their son Corporal Denis Gagne and his wife from Val Cartier Air Force Base Quebec and also Mr. and Mrs. Alphonsine Gagne and family from St. Paul. After an evening of fun and dancing a purse was presented on behalf of the family and those present.

Sturgeon Valley Dairy Club does well

Members of the Sturgeon Valley 4H Dairy Club travelled to Red Deer recently to take part in the provincial 4H Dairy Show, held under the sponsorship of the Alberta department of Culture, youth and recreation; and the department of agriculture in conjunction with the Red Deer agricultural society.

Among the young participants in the show were Brad and Michael Quwek, Box 299 Bruderheim, and Doug Crozier, RR #2 St. Albert, all of the Sturgeon Valley club.

Brad placed seventh in the calf class. Michael was fifth in the showmanship division and Doug did well in the yearling class.

The Sturgeon Valley club, whose leader is Melvin Clark of RR #2, St. Albert, came in first in the stall competition.

The Red Deer show was under the direction of L. W. McNichol, ringmaster was Bill Scott and the judges were Jack Bailey, Ed Briscoe and Bob Blair.

Lloyd Bergstreiser marries Anita Plischke

By Liz McLeod

A pretty wedding was solemnized at St. John's Lutheran Church, Alberta Beach, on August 6, when Anita Louise, second daughter of Mr. and Mrs. Willie Plischke of Alberta Beach, became the bride of Lloyd Melvin, youngest son of Mr. and Mrs. Herbert Bergstreiser of Calahoo in a double ring ceremony before an altar decorated with baskets of white gladioli and red carnations. White satin bows with lily of the valley enhanced the pews.

Pastor E. Duesterhoef performed the ceremony and the organist was Mrs. Fred Schultz.

The bride, given in marriage by her father, was radiant in her A-line empire waisted lace gown. The gown featured long, cuffed sleeves. Her three tier veil was held in place by a floral headpiece and she carried a bouquet of white gladioli centred with red sweetheart roses with streamers that had rosebuds attached.

Matron of honor was Mrs. Douglas McLeod. She wore a hot pink gown of peau de sole with high collar and short puffy sleeves. The bridesmaid was Marianne Plischke. Her gown was pink polyester crepe. Both attendants carried bouquets of pink tinted baby mums. The groom was attended by Douglas McLeod and Ronald Wackenhut.

Guests were ushered by Marvin Albert and Gordon Bergstreiser.

The bride's mother chose a blue two-piece dress and jacket ensemble with matching hat, white shoes and

gloves. She wore a corsage of white carnations.

The groom's mother wore a purple dress trimmed in white. Her hat was pink and mauve and she wore white shoes and her corsage was of white carnations.

Master of ceremonies was an uncle of the bride, Mr. Albert. A reception was held at the Stony Plain Community Hall.

After a delicious lunch, before the final dance the

bride and groom went on stage and before their speech all the young single men were called forth to see who could catch the garter. The single girls were called up and the bride threw her bouquet. By a rare coincidence Don Schermund caught the garter and his sister Marlene caught the bouquet.

For her wedding trip to Calgary, Banff and Jasper, the bride chose a light pink

pantsuit. Her corsage was of white gladioli centred with red sweetheart roses.

Lloyd and Anita live on the home farm just west of Calahoo.

Out of town guests were from Burnaby and Kamloops B.C., Saskatchewan, Germany, Mayerthorpe, Edmonton, Calmar, Ardrossan, Alberta Beach, Calahoo, Darwell, Spruce Grove, Duf-
 well, St. Albert and Onoway.

**CALGARY
POWER**

60 YEARS OF PROGRESS IN ALBERTA

60 years of progress.
 60 years of people.
 60 years of places served by Calgary Power.
 We're proud of our record.
 We were started by Canadians and remain a Canadian-owned company.
 We've brought power to Alberta's growing cities.
 We've helped to bring success to her booming industries.
 And brought more efficiency and better living to Alberta's farmers.
 We've seen three generations of Albertans grow up and we've helped to make their lives more enjoyable.
 We've provided our share of enterprising pioneers and are proud of our Alberta Heritage.
 60 years of service to our fellow Albertans.
 We think that's something to celebrate.

So we've commissioned a set of books

... specially written by Alberta author Jacques Hamilton. These tell you about Alberta. People. Places. Progress. They are books you'll want — full of fascinating true tales — from the hard-working pioneers who broke the land to the industrial boom of today.

The complete set of three books is now available at a nominal cost of \$100 per set.
